Men Paint Skinny As Stranger.

More than half mankind over sixty years of age suffer from stiffness and kindred disorders, usually attributed to rheumatic pains. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger as it corrects irregularities and has cured many old men of this disease. Mr. Harvey Burnett, Rock Port, Mo., writes, "I suffered with enlarged prostate gland and kidney trouble for years and was treated by physicians of Quincy, Kidney Cure is better than I have for twenty years although I am now 80 years old." J. E. Penn, Appomattox, W. E. Woodson, Concord; W. C. Nowlin, Spout Springs.

It must be source of satisfaction to the late King Menelek, who has succeeded in the throne, as the Gilded Saint, that nobody will call him "the late king".

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble pays upon the mind, discourages and unfits one for business; beauty vigor and electric force disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is a child to be sore from the cradle to the grave. If the child urinates too often, if the urine scalds the flesh or if there is pain in the back at age when it should be able to control the passage, it is the fault of the kidneys and they should be treated. The trouble is due to a diseased condition of the kidneys and bladder and not to a habit or mere passive surprise.

Women as well as men are made miserable with kidney and bladder trouble and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention the name.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Teachers Examination Postponed Until May.

The State Board of Examiners and Inspectors of schools, in session in Richmond February 23rd decided to recommend to the State Board of Education that the date for teachers examinations be postponed from May 1 and 2, 3rd, and in order that this may be done, all first and second grade certificates which have expired or will expire two years will be extended for one year without examination; and certificates of advancement, state certificates of endorsement to the diploma superintendent and clerks of the district in which the applicant is teaching, the State Board of Education will extend it as early as May 1st. Holders of certificates will accept these recommendations, because in that case they would lose the early date in March and the world wears a great many months in the year.
